Professional English for Data Science

dott.ssa Caroline Rosemary Chick

Department of Sociology and Social Research - via Verdi 26

TIMETABLE from 28 February:
Monday 16-18 and 18-20 – Room 11

The updated information on lesson times is available on the piattaforma EasyAcademy platform.

EDUCATIONAL OBJECTIVES The seminar is aimed at providing students with both tools and strategies useful for English in the fields of study of the course and for carrying out assigned tasks, commenting on data and presentations. The seminar syllabus will be published via Esse3.

ADMISSION REQUIREMENTS and ACTIVATION OF THE SEMINAR The activity is open only to DATA SCIENCE master's degree students and will not be activated if there is not a sufficient number of DATA SCIENCE master's degree students. The course includes 40 hours of lessons and is activated in the 1st and 2nd semester. For admission to the seminar, B2 language skills are required to be proven by means of an international language certification of at least level B2, or AD 135422 Competenze linguistiche specialistiche - Inglese B2, or with the passing - no more than one year - of a CLA course at least level B2b or with certification of level B2b through CLA placement test (http://www.cla.unitn.it/490/test-di-piazzamento). Those who, between the two months and the two previous weeks, have taken the CLA placement test with an inadequate level must request the reactivation of the test by writing to segreteria.srs@unitn.it and indicating the date of taking and the level reached. At the first lesson, students must present certification or demonstrate that they have taken the online test with an adequate result. If the admission requirements are met but, after the first meetings, the teacher deems the skills insufficient, the teachers may not admit the students to the seminar.

REGISTRATION Registration is mandatory and must be done online at http://www.sociologia.unitn.it/100/seminari-di-credito by 22/02/22 (maximum number of subscribers: 20)

EXCEEDING THE ACTIVITY The minimum hours of attendance in attendance cannot be less than 60%; for the remaining 40% the teacher will be able to provide material and support for non-attending students in the forms she deems most appropriate. Verification of learning will take place on an ongoing basis and passing the activity will allow for the acquisition of 3 training credits. Department

For access, online registration is required as specified below.
Participation in the seminar for at least 75% of the hours and the performance of the final exam will result in the award of 3 credits.

Online registration at http://www.sociologia.unitn.it/100/seminari-di-credito until 22/02/2022 (maximum number of participants: 20)
